

HTS HUGHES READING LIST 2011/12

Francesca Hughes

Outer Space and Inner Space: The Computer Outside Itself

This reading list has been given to the library by the course tutor. Please note that the library holds as many items as possible from this list, however if any items are not held in the library's collection, these may be requested via Inter-library loan at the issue desk.

Some items may be shared with other programmes or located in other parts of the library. For location details please consult the online library catalogue.
