Curated by the Design + Make programme, this symposium will bring together Hooke Park students, staff, alumni and friends to discuss the emerging Wakeford Hall scheme, past and recent projects and what the future holds for Hooke Park.

## Exhibitions

Exhibitions are open Monday to Friday 10.00–7.00, Saturday 10.00–5.00, until 9 December. Private Views Friday 6 October, 6.30.

**AA XX 100**  
**AA Women in Architecture 1917–2017**

*AA Gallery, Front and Back*  
*Members' Rooms*  
The story of women at the Architectural Association is at once a history of women's presence within a particular educational institution, a history of women's presence within the architectural profession and part of the history of twentieth-century architecture in both Britain and the wider world. The exhibition explores this story, beginning in 1917 – the first year the AA admitted women students – before radiating outwards to explore

the generations of practices, collaborations, politics and networks that were not only kindled by their education but have shaped the AA itself. Projects range from the first building designed by AA women – a Sussex memorial hall – to recent work by Amanda Levete Architects and Zaha Hadid's work and connections at the AA.

The exhibition is curated by Elizabeth Darling and Lynne Walker, designed by Eva Jiricna and Georgina Papathanasiou, and accompanied by the release of the book *AA Women in Architecture 1917–2017*.

**AA Honours**  
*Until Friday 15 December*  
*Graduate Gallery*

The 2016–17 Diploma Honours projects offer a window into how the AA continuously pursues the teaching and learning of architecture in the form we know best: one mind, student, project or portfolio at a time. The exhibition includes the Fifth Year projects of Nathan Su, Jisoo Hwang, Joshua Penk, Rory Sherlock and Jonathan Cheng.
